## Description

### EDEA Ritmo Boots!

The Edea Ritmo Roller Boots are the next step in a proper boot for the competitive roller skater making their move into mid level FreeStyle skating and adding double jumps into their routines. The Ritmo can also be worn for Dance Skating or when the mid-level skater is competing in multiple disciplines.

### COOLER BY DESIGN

- Ventilated sole and side create an active cooling system. The airflow keeps the foot drier and cooler.

### COMFORT WITHOUT FAIL

- Its anatomic shape, high density memory foam padding, and soft lining keeps the Ritmo a step ahead for the skater's well-being.

### BE IN COMMAND

- The unique Freedom Collection footbed gives the Ritmo an increase in power transmission and distributes force for more control.

### READY TO ROLL

- From the Technomicro outer to the thermoformable structure to the memory foam padding, its materials are especially chosen for the skater's advantage.

### FIT FOR YOU

- Ritmo boots can be Custom Shaped by RollerSkatin.ca an Authorized Edea Skate Tech for a feel that is personal.

### SIZING:

1. To determine your size, first make a tracings of your feet. Follow these [Sizing instructions](#)
2. Refer to the Comparative Sizing Chart for Fitting EDEA Boots [Here](#).
3. As a general Rule of Thumb, your EDEA boot size will be approximately 10mm (one full size) larger than your actual foot measurement.
4. Email your findings to: [CustomerService@RollerSkatin.ca](mailto:CustomerService@RollerSkatin.ca) so we can confirm your size selection and help to assure you order the correct size.
5. We will advise on any heat-shaping that may be required based on your foot shape, to make sure you get the right fit.

**NOTE:** If you are already certain of your size, from other fittings or previous EDEA boot experience, and don't wish any further sizing advice please indicate so in the NOTES section at Checkout :D
