Description

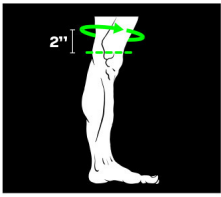

Built for Derby!

SMITH Safety engineered this pad to provide as much protection as possible while keeping in mind the needs of Derby athletes. They took the excellent protection and comfort of a long-standing favorite in Derby, Scabs Knee Pads and created a leaner kneepad for starting Derby, with more features than most entry level derby kneepads out there!

FEATURING:

- The shorter low profile pad and flat knee cap both help to reduce bulk and increase mobility
- Butterfly straps- A quick release system allows easy on and off.
- Removable foam - This gives you the option to be able to wash those stinky lil pads!
- Triple Foam cushion provides great protection and comfort
- Double strap - Top and bottom higher grade elastic straps (the famous Scabs Adjustable Top Strap SMITH has been known for since 1989!) to help secure the elbow pad so there is no movement or slippage.
- Made with the top quality Abrasion resistant material to provide the best protection on the market.
- Replaceable knee caps allow easy maintenance and long-term use
- Package comes with specific left and right knee pad
